

Van Gorp®

Engineered Conveyor Components

Idler warranty:

We warrant our CEMA Class Idlers against defects in material or workmanship for a period of 36 Months from the date of installation or 48 months from date of shipment. The Idlers shall be installed in accordance with manufacturers' recommendations; the loads shall not exceed the normal conditions. Whenever, under the warranty, it is necessary for you to replace parts or Idlers, Van Gorp shall furnish such items free of charge, Exworks/FCA, Pella Iowa. No allowance will be made for any expense incurred in repairing or replacing defective Idlers, or supplying any missing parts, except with the written consent of Van Gorp.

We warrant our Endurance Class Idlers against defects in material or workmanship for a period of 120 Months from the date of installation or 132 months from date of shipment. It is required that you have filled in a data sheet for each conveyor system. The Idlers shall be installed in accordance with manufacturers' recommendations; the loads shall not exceed the normal conditions. This warranty only applies to the specific conveyor for which it was specifically designed for. Whenever, under the warranty, it is necessary for you to replace parts or Idlers, Van Gorp shall furnish such items free of charge, Exworks/FCA, Pella Iowa. No allowance will be made for any expense incurred in repairing or replacing defective Idlers, or supplying any missing parts, except with the written consent of Van Gorp

All warranty claims must be submitted in writing using the Van Gorp Warranty Claim form

The statements above are a partial summary of the full Van Gorp Standard Terms and Conditions of Sale which were in affect at time of sale and shall define and govern all terms and conditions of the sale.
